

Baseline Report Overview - Where You Were

Your Baseline Report includes a visibility score that displays the average of your initial Local page and Directory scores. Your Local Page Score was determined by your average visibility and optimization in Google My Business, Yelp Local, and Bing Places. Your Directory Score was determined by dividing the number of directories in which you were found by the number checked.

Local Pages

Each Local Page Score is determined by how optimized your listing is. We check against several parameters that influence your overall optimization such as the consistency of your name, address, and telephone number as well as keywords, business description, and more!

📋 Data Aggregators

Data Aggregators are data amplifiers. They are important because they distribute business data to hundreds of partners, search platforms, navigation systems, and mobile apps reaching a broader audience than anyone can on their own.

Due to the reliance on third-party data and their connection status, periodically we may not find a listing that may be there.

Although we strive to keep up with algorithm changes on our end, we can in no way guarantee the accuracy of this report due to the fact that the content displayed on the scan results, is solely based on information we receive from our partners. We can only display what is received from them at the time of the scan, which may or may not be accurate at that moment. This scanning tool is supplied on an "as is" and "as available" basis. To the fullest extent under applicable law, we make no, and disclaims all, warranties, guarantees and representations, whether express, implied, oral or otherwise. Use this report as a guideline not as an absolute audit report.

Due to data normalization issues, there is no guarantee a Third Party Directory, Source, or Aggregator will accept the data you have provided. A Third Party Directory, Source, or Aggregator may accept and change the data you have provided. In order to keep data consistent across all sources, data is not submitted all at the same time. Some Data is submitted on specific days of the month to specific sources. As a result, your data may not be submitted in your order month if the order is placed after the cutoff date, and will be processed the following month.
